

Super B Lithium Batterien (LiFePO4)

...distributed by *inomatic*

Extreme durability

3 years warranty

High power efficiency

Since November 2017 inomatic is official distributor and dealer of the battery manufacturer Super B from Hengelo.

Since the beginning of its foundation in 2002, inomatic has specialized in the development, production and distribution of control technology for automotive and special vehicle construction.

Today inomatic offers a sophisticated product range of CAN-Bus controllers, operator panels, displays and much more. Everything from one house, from the idea to series production. In doing so, we always proceed according to our slogan "we develop a head start".

Super B Epsilon 90Ah 12V

Order no.: 22.000288

- 13,2V / 90Ah
- Integrated battery management
- Integrated self-protection
- > 5000 charging cycles
- Bluetooth- and CAN-Bus Interface
- 353 x 175 x 190

Super B Epsilon 100Ah 12V

Order no.: On Request

- 13,2V / 100Ah
- Integrated battery management
- Integrated self-protection
- > 5000 charging cycles
- Bluetooth- and CAN-Bus Interface
- 278 x 175 x 190mm

Super B Epsilon 150Ah 12V

Order no.: On Request

- 13,2V / 150Ah
- Integrated battery management
- Integrated self-protection
- > 5000 charging cycles
- Bluetooth- and CAN-Bus Interface
- 353 x 175 x 190 mm

Super B Nomia 160Ah 12V

Order no.: 22.000304

- 13,2V / 160Ah
- Battery management
- Integrated self-protection
- > 2000 charging cycles
- CAN-Bus Interface
- 417 x 227 x 314 mm

Super B Nomia 210Ah 12V

Order no.: 22.000373

- 13,2V / 210Ah
- Battery management
- Integrated self-protection
- > 3500 charging cycles
- CAN-Bus Interface
- 417 x 227 x 314 mm

Super B Nomada 105Ah 12V System battery

Order no.: On Request

- System battery
- CAN-Open Interface
- > 3500 charging cycles
- 10 Kg own weight / protection class IP66
- 437 x 90 x 175 mm

Bistable power relay 260Ah for Nomia series

Order no.: 21.000063

- 260 Ah Power Relay
- Ready to plug in
